

BEST GLASS PARTS - GRAB BAR 12"

PRODUCT SPECIFICATIONS :

- Finishes : Chrome, Black, Brush Nickel, Gold
- Material : Brass
- Reliable Stability: Specifically engineered to provide a secure, weight-bearing handhold, significantly reducing the risk of slips and falls in high-moisture areas.
- Rust-Resistant Construction: Manufactured from high-grade, corrosion-resistant materials (typically stainless steel), ensuring it remains structurally sound and visually clean even in direct shower spray.
- Safety Standard Compliant: Designed to meet rigorous safety benchmarks, providing the necessary leverage for elderly users, those with limited mobility, or individuals recovering from injury.
- Modern Design Integration: Unlike traditional clinical-looking rails, this grab bar features a sleek, polished finish that allows it to blend seamlessly into modern home decor.
- Versatile Mounting: Engineered for flexible installation, it can be mounted horizontally, vertically, or at an angle on various wall types to suit the specific needs of the user.
- Discreet Support: Offers a "low-profile" look that provides peace of mind and independence while maintaining the aesthetic flow of a luxury bathroom or stairway.
