

BEST GLASS PARTS - HANDLE WITH 3M STICKER

PRODUCT SPECIFICATIONS :

- Finishes : Chrome, Black, Brush Nickel, Gold
- Material : Brass
- Tool-Free Installation: Features high-strength 3M adhesive technology, allowing for a "peel-and-stick" application that eliminates the need for drills, screws, or professional tools.
- Surface Versatility: Specifically engineered to bond securely to a wide range of smooth surfaces, including tempered glass, metal, plastic, and finished wood.
- Heavy-Duty Adhesion: Designed to provide a reliable, high-load grip that resists peeling even under frequent daily use or dynamic movement.
- Zero-Damage Solution: Ideal for renters or temporary displays, as it offers a secure hold without leaving permanent holes or damaging the underlying surface.
- Sleek & Low-Profile: Boasts a practical, modern design that blends into any environment—from office storage bins to glass sliding panels.
- Multi-Purpose Use: Perfect for DIY home organization, lightweight glass partitions, appliance upgrades, or any application requiring a quick, functional handle.
