

BEST GLASS PARTS - PULL HANDLE WITH LOCK ROUND 48"

PRODUCT SPECIFICATIONS :

- Finishes : Chrome, Black, Brush Nickel, Gold
- Material : Brass
- Integrated Security: Features a built-in locking mechanism, providing a streamlined security solution without the need for a separate deadbolt or latch.
- Commanding 48-Inch Presence: The extended length offers a bold, floor-to-ceiling architectural statement, making it ideal for large entrance doors and high-profile commercial glass.
- Ergonomic Round Profile: The full-length circular grip is designed for maximum comfort and ease of use, ensuring a smooth operation regardless of where you grab the handle.
- High-Grade Durability: Constructed from premium, corrosion-resistant materials to withstand heavy daily traffic and environmental exposure in both indoor and outdoor settings.
- Professional Aesthetic: Combines the "Round Series" minimalist look with the practical necessity of a lock, maintaining clean lines on your door.
- Universal Versatility: The 48-inch size is highly adaptable for a wide range of door heights, enhancing both the safety and the visual scale of your space.
