

# BEST GLASS PARTS - PULL HANDLE H SQUARE 6"

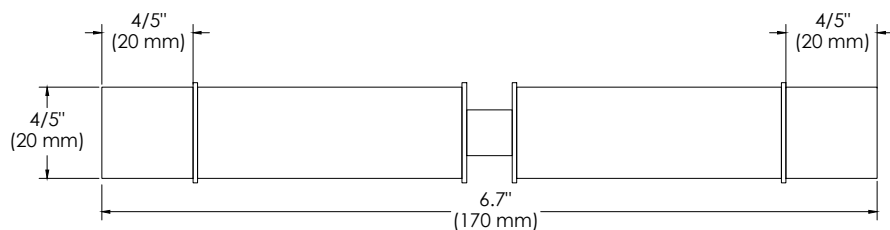

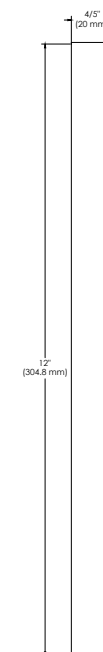

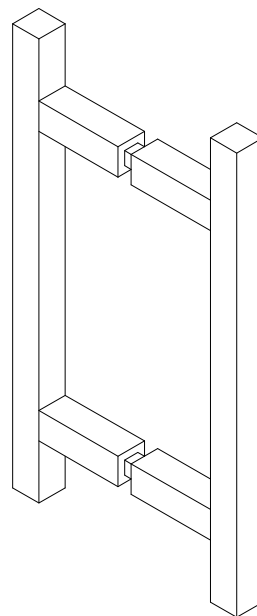

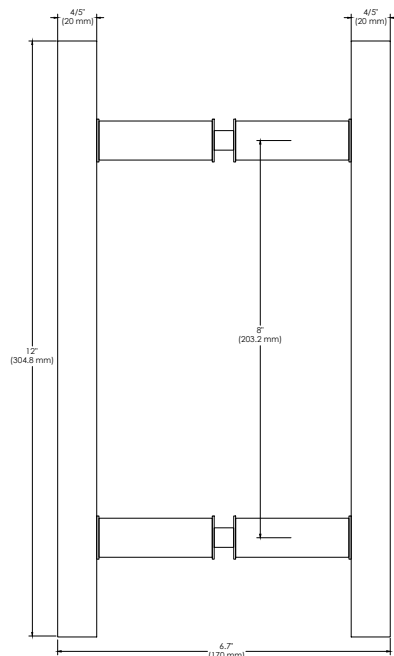

## PRODUCT SPECIFICATIONS :

- Finishes : Chrome, Black, Brush Nickel, Gold
- Material : Brass
- Robust Stainless Steel Build: Constructed from high-grade stainless steel, offering maximum durability and superior resistance to corrosion, even in high-traffic or humid environments.
- Modern "H-Square" Geometry: Features a sophisticated H-shaped profile with clean, sharp lines that serve as a focal point for modern and minimalist interior designs.
- Ergonomic Precision: Specifically engineered for a comfortable, secure grip, ensuring that opening and closing heavy doors or large drawers is completely effortless.
- Versatile Architectural Use: A perfect fit for both residential and commercial applications, including entrance doors, office glass partitions, and high-end kitchen cabinetry.
- Professional Security & Stability: The sturdy construction and secure mounting system provide a reliable, "no-wiggle" attachment that enhances the overall feel of the door.
- Minimalist Aesthetic: Designed to complement other square-profile hardware, providing a seamless and polished look across your entire property renovation.
